Misc. Work (Grout)	C. F.	7062
Misc. Work (Architectural Fascia)	S.Y.	461
Misc. Work (Lean Concrete Pad)	C. Y.	93

Supplemental Prequalification:

In addition to the standard prequalification process, the contractor must also be prequalified through a supplemental prequalification established for this contract.

A separate Supplemental Prequalification package is included with the project plans and special provisions. All contractors interested in becoming a prime contractor must first complete and submit the Supplemental Prequalification Application provided by the Department in accordance with the accompanying instructions. Completed Supplemental Prequalifications will be received until 4:00 P.M. (M.S.T.) on May 3, 2007, at the office of Contracts and Specifications Section, 1651 West Jackson, Room 121F, Phoenix, AZ 85007. No Supplemental Prequalifications will be accepted after the time specified.

The Department has scheduled a non-mandatory project site visit and conference for all plan holders prior to submitting the Supplemental Prequalification documentation. The conference will be held on April 16, 2007 at 10 AM.

All contractors submitting a Supplemental Prequalification will be notified by mail if they are prequalified to bid this project on or before May 31, 2007. The prequalified contractors will also receive a proposal pamphlet to complete and return with their bid.

Specific Qualifications:

Due to the specialized nature of the work, the contractor, its employees, and subcontractors shall be required to have specific minimum qualifications as evidenced by experience and/or demonstrated ability. The minimum qualifications are described in the following sections of the Special Provisions:

Section 912 – Shotcrete:

912-3.06 Quality Assurance

Section 923 – Permanent Ground Anchors:

1.03 Contractor Qualifications

Section 924 – Micro-Pile Walls:

1.3 Micro-pile Contractor's Experience Requirements

Section 924 – Instrumentation:

1.2 Experience Requirements

General:

The Arizona Department of Transportation hereby notifies all bidders that pursuant to this advertisement for bids, Disadvantaged Business Enterprises will be afforded full opportunity to submit bids in response to this solicitation and will not be discriminated against on the grounds of race, color, sex, or national origin in consideration for an award.

Project plans and special provisions may be purchased from Contracts and Specifications Section, 1651 W. Jackson, Room 121F, Phoenix, AZ 85007-3217, (602) 712-7221. These documents should be available for sale to bidders within one week following the advertisement for bids. The cost is \$75.00, payable at time of order by cash, check or money order. An

additional fee of \$5.00 will be charged for each set of Special Provisions requested which is not accompanied by the purchase of a related set of project plans. Checks should be made payable to the Arizona Department of Transportation. No refund will be made for plans and specifications returned. We cannot guarantee mail delivery.

Disks of the Final Geotechnical Reports and all subsequent readings taken to monitor slope movement will be available for purchase at the Contracts & Specifications Section. The cost is \$5.00.

This project is eligible for electronic bidding.

A contractor is not required to have an Arizona contractors license in order to submit a bid; the successful bidder must obtain the proper contractors license(s) in order to be eligible for award of contract.

All labor employed on this project shall be paid in accordance with the minimum wage rates shown in the General Wage Decision. These rates have been determined in accordance with the requirements of the law and issued by the Secretary of Labor for this project. The wage scale is on file in Contracts and Specifications Section and copies may be obtained at all reasonable times.

A proposal guaranty in the form of either a certified or a cashier's check made payable to the State Treasurer of Arizona for not less than ten percent of the amount of the bid or in the form of a surety (bid) bond for ten percent of the amount of the bid shall accompany the proposal.

Surety (bid) bonds will be accepted only on the form provided by the Department and only from corporate sureties authorized to do business in Arizona.

Proposal pamphlets shall be submitted only in the envelope provided by the Department to:

Arizona Department of Transportation
Intermodal Transportation Division
Contracts and Specifications Section
1651 West Jackson Street, Room 121F
Phoenix, Arizona 85007-3217

Sealed bids will be received until the hour indicated and then publicly opened and read. No bids will be received after the time specified.
